

# TECHNOLOGY EDUCATION K-12 CERTIFICATE OF ELIGIBILITY (ENDORSEMENT CODE: 1810)

Please print this page before you apply.

This endorsement authorizes the holder to teach technology education in all public schools with the exception of approved vocational programs. Technology education includes content aligned with the CCCS and the standards for Technology Literacy published by the International Technology Education Association, copyright 2000, incorporated herein by reference at <http://www.iteaconnect.org/TAA/Publications/STL/STLMainPage.htm> Examples of the topics that can be taught under this endorsement include: the nature of technology; technology and society; Engineering and technological design; abilities for a technological world; energy and power; Information and communication; and transportation, manufacturing and construction technologies

**In order to be eligible for the Certificate of Eligibility (CE), you will need to meet the following:**

## Degree Requirement

- A minimum of a bachelor's degree is required from a [regionally accredited college/university](http://www.nj.gov/education/educators/license/usaccred.htm). (<http://www.nj.gov/education/educators/license/usaccred.htm>)

## Cumulative GPA Requirement

- New Jersey requires that candidates for certification achieve a cumulative GPA of at least 2.75 when a GPA of 4.00 equals an A grade for students graduating on or after September 1, 2004 (2.50 for those graduating before September 1, 2004) in a baccalaureate degree program, higher degree program or a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits. Please note that a high praxis test score may offset a GPA that is lower than 2.75 but higher than 2.50. Click on the following link for more details: <http://www.nj.gov/education/educators/license/gpa.htm>

## Subject Matter Preparation

- Current regulations for certification require that applicants complete a 30 credit coherent sequence of study in courses that align to the *Standards for Technological Literacy (STL)*. A coherent sequence requires that at least 12 credits are completed at the advanced level of study (junior, senior or graduate level). Within the 30 credits, the candidate shall complete study in:
  1. The nature of technology or technology and society;
  2. Technological design;
  3. The use of tools and materials and safety related to using tools and materials; and
  4. Three of the following seven areas:
    - i. Medical technologies;
    - ii. Agricultural and related biotechnologies;
    - iii. Energy and power technologies;
    - iv. Information and communication technologies;
    - v. Transportation technologies;
    - vi. Manufacturing technologies; and/or
    - vii. Construction technologies
- Related courses may be accepted depending on the course description/content. Please provide a course description if a course is not taken from the Technology Department. Courses in pedagogy/education are not accepted towards the subject matter preparation. The final determination as to which courses will be counted towards the Technology subject matter is based on professional and content standards found in the NJ Licensing Code. **All credits must appear on a regionally accredited 2 or 4-year college/university transcript.**

## Praxis II Test Requirement
